PURPOSE OF DATA PROCESSING:

At the meeting, video recordings and photos will be taken. Selected photos and/or videos will be published within the context of press and public relations work as well as documentation of the meeting. Photos and videos will be published in several media forms and across various platforms, such as print media, social media (e.g. Facebook, Instagram, Youtube), our websites, the GPPAD website, and press releases.

LEGAL BASIS FOR DATA PROCESSING:

The legal basis for data processing is Helmholtz Munich's legitimate interest (Art. 6 (1) point (f) GDPR) in informing the public about events by means of photos and videos, as well as the documentation of the meeting.

RECIPIENTS OF DATA AND TRANSFER OF DATA TO THIRD COUNTRIES (NON-EU COUNTRIES):

The recipients of your personal data are internal employees, insofar as this is necessary to fulfill the aforementioned purpose, e.g. for image processing. Your personal data may also be passed on to third parties for further processing if this is necessary to fulfill the aforementioned purpose, e.g. to the press or advertising agencies for publication.
If the data is published on social media platforms, a transfer to third countries cannot be ruled out.

RETENTION PERIOD:

In principle, we delete personal data as soon as there is no need for further storage. Your personal data will be deleted when it is no longer required to fulfill the aforementioned purpose.
